

August 24 to September 6

Level 2 COVID-19 Alert Extended

Level 2 Measures :

- Masks must be worn at all times when outside except when consuming food and beverages.
- Contact information registration and social distancing.
- Crowd control or capacity limit management at commercial business venues and public venues: **at least 1.5 meters/person** (2.25 square meters/person) **indoors** and **1 meter/person** (1 square meter/person) **outdoors**.
- Limit on the number of people in gatherings: **80 people indoors** and **300 people outdoors**. An epidemic prevention plan is required if the number exceeds the limit.
- Wedding banquets and public memorial services:
 - Public memorial services shall abide by epidemic prevention regulations issued by the Ministry of the Interior.
 - Each partitioned area at a wedding banquet must not exceed 80 people indoors and 300 people outdoors. Toasting at each table is not allowed.
- Dine-in service management: MOHW regulations must be followed. The rules of adopting partitions, checkerboard seating arrangements and having staff serve food no longer apply to people living in the same household.
- Hospital visits: Hospital visits are open to patients in ICUs, hospice wards, respiratory care wards, psychiatric wards and pediatric wards, patients with physical and mental disabilities **and** in critical condition, and patients who have been hospitalized for **7 or more** days.
- The following venues are allowed to open with epidemic prevention and management measures in place:
Study centers, indoor amusement parks, locations for open water fishing, swimming/snorkeling.

Venues that must remain closed :

- Singing and dance venues, nightclubs, clubs, hostess bars, bars, MTVs, KTVs, beauty parlors (tourist parlors and audio-video parlors)
- Arcades, video game arcades, Internet cafes, mahjong clubs and other similar venues
