

November 2 to 15

Nationwide Epidemic Alert to Remain at Level 2

Level 2 Measures

- Masks must be worn at all times outside with the following exceptions (see annex for details):
 - New: When **singing, exercising indoors, in hot springs or during water activities** provided certain criteria are met.
 - Commercial and public venues should implement measures regarding contact information registration, temperature checks, disinfection, staff health management and timely response to confirmed cases.
 - **The following restrictions are lifted:**
 - The limit on the number of people in gatherings.
 - Crowd control or capacity limit management at commercial and public venues.
 - Reduction in the maximum number of people outdoors in art performances and exhibitions/sports events/national parks/national scenic areas/tourism and amusement industry.
 - **Masks may be temporarily removed when consuming food and beverages on Taiwan Railway Administration and Taiwan High-Speed Rail trains, intercity buses, tour buses, domestic flights/ships, cinemas, KTV bars, MTV and Internet cafes.**
 - Venues that should remain closed (including singing and dance venues, nightclubs, clubs, hostess bars, bars, pubs, and beauty parlors) may open if no hostess services are provided and that epidemic prevention regulations are followed.
